To Whom It May Concern:

Over the past 15 years as Production Manager of Austral Refrigeration I have worked closely with Phil Docherty and his team to assist our business deal with the demands of production both on the factory floor and on site.

The understanding that MPM have of our business has allowed them to demonstrate on numerous occasions the capacity to supply quality labour at short notice and I have no hesitations in recommending their services to any prospective employer.

Austral Refrigeration looks forward to continuing the working relationship with MPM Recruitment Services Pty Ltd.

Regards,
